This document supplements our recent responses regarding our 2004 July Quarterly Report:

Please note that upon further review, and in consultation with our attorney, we note that there were no Independent expenditures made during this period.

All expenditures disclosed on Line 24, Schedule E were, in fact, exempt party activities, which have been moved to Line 30(b).

Furthermore, please note that expenditures disclosed on Line 21(b) for "direct mail," "fundraising direct mail," and "postage"

were for fundraising letters that promoted John Kerry and opposed George Bush, but did not contain any express advocacy.

These expenditures

have been moved to Line 30(b).

Please disregard any inconsistent statements regarding these two issues from our submission of May 24, 2004.

Respectfully submitted by,

Bruce Neilson, Treasurer
